Education

B.Tech, Velagapudi Ramakrishna Siddhartha Engineering College

2023 – Present

Computer Science and Engineering Current CGPA: 9.13

Relevant Courses: Object-Oriented Programming, Operating Systems, Data Structures, Algorithms, Software Engineering, Database Management, Computer Networks, Cloud Computing

Objective

To secure a challenging position where I can apply my technical knowledge, problem-solving skills, and passion for learning to contribute to the organization's success while gaining practical experience and continuously improving my skills in the field of technology.

Skills

Languages: Python, Java, C

Databases: SQL (Oracle SQL Plus 21c)

Tools: Git, Github

Cloud: Amazon Cloud

AI/ML: Retrieval-Augmented Generation (Basics)

Soft Skills: Team Player, Problem Solving, Decision Making, Communication, Interpersonal Skills

Certifications

- AWS Cloud Practitioner Essentials
- Cisco CCNA 1: Introduction to Networks
- Cisco CCNA 2: Switching, Routing, and Wireless Essentials
- Cisco CCNA 3: Enterprise Networking, Security, and Automation

Experience

Infosys Springboard Virtual Internship 6.0

2026

AI/ML Virtual Intern

- Collaborated effectively as a team player in the development of an AI-powered e-commerce recommendation system using Reflex (Python).
- Worked with team members to implement content-based, collaborative, and hybrid filtering techniques for personalized recommendations.

Projects

Website-Based RAG Chatbot Using LangChain

- Developed a Retrieval-Augmented Generation (RAG) chatbot using LangChain, ChromaDB, and Groq LLM.
- Implemented web scraping, recursive chunking, embeddings.
- Built an AI-powered chatbot capable of answering user queries from website data using vector database retrieval.

Mango Leaf Disease Detection and Organic Solutions Recommendation

- Trained an EfficientNet-B3 CNN model for accurate mango leaf disease detection using deep learning techniques.
- Developed a recommendation system to suggest suitable organic solutions based on identified plant diseases.

Achievements

- Qualified GATE 2026 (CSE)
